Statement by the  
Board of Directors for Nuweh Companies, LLC

September 5, 2023

The Board of Directors for Nuweh Companies wishes to inform our tribal community and stakeholders of the freeze of Nuweh Companies, LLC. This decision stems from a recent federal court ruling and subsequent hearing that has resulted in a pause in the application processes for the Small Business Administration's 8(a) Program.

We, the Board, have a responsibility to exercise financial stewardship in the best interest of our Tribe and membership. We will continue to provide updates. Rest assured, our economic development endeavors are a top priority, and we are dedicated to pursuing opportunities that benefit us all.
