Nuweh, LLC Hosts 1st Annual Boys & Girls Club Christmas Party

White Cloud, KS – Nuweh, LLC proudly hosted its 1st Annual Boys & Girls Club Christmas Party, creating an unforgettable holiday experience for local students and families. The festive event, held on 19 December, 2024, was made possible through the generosity of both named and anonymous sponsors (see bottom for sponsors), reflecting the community's commitment to giving back during the holiday season.

The celebration featured special guest appearances by KC Wolf, the beloved mascot of the Kansas City Chiefs, and Cy Rae "Little Star" Campbell, standout volleyball player at Wake Forest University. Their presence brought excitement and joy to attendees, as they engaged with students, posed for photos, and shared words of encouragement.

Paula Walker, CEO of the Iowa Tribe Boys & Girls Club, commented on the event saying, "It brought our community together. Seeing all of the parents come and show up for this event was amazing. The laughter and smiles were truly amazing. I don't think I can even thank you guys enough for what you all did for our

community. Here at the club we want to be there for not only our youth, but for their families, and just give the kids a safe place to be. Somewhere they feel safe and with this event, all the families that came could see the love that everybody was giving. Having KC Wolf here was something I don't think the kids will ever forget. We here are all Chiefs fans and our youth don't get many chances to spend the evening with KC Wolf playing ball, taking pictures, and just hanging out. It meant so much to them to have him by their side. A couple have even asked, "when KC Wolf is coming back." Again, thank you for everything. We can't say that enough!"

The evening was filled with holiday festivities, including gift giveaways, games, music, and a warm meal for all attendees. The event served as a reminder of the power of community, generosity, and the importance of uplifting future generations.

Nuweh, LLC extends its deepest gratitude to all sponsors who contributed to making this celebration possible. Their support ensured that every child left with not only gifts but also cherished memories.
