Call to Order

Misty called the special meeting to order at 3:44 pm

Roll Call

Misty Slater, Chairwoman
James Keller, Vice Chairman
Anthony Fee, Secretary

Robert Hullman, Treasurer excused absent.

Misty said that this is a resolution that must be approved at the change of elected officials. This is a standard process that we undertake every time there is a change in elected officials. This calling of a special meeting without significant notice is not a practice we would like to take on a regular basis, but we must do so today because of the adverse effect this would have on the Iowa Tribe. We hope at a future general council meeting members would consider a motion to allow a special meeting with a shorter notice so we can be fully transparent and make this information available but also be able to respond quickly to tribal business like something as benign but incredibly critical as a banking resolution.

New Business

Resolution 25-R-34 Banking Resolution
