

Help Us Plan for a Cleaner Energy Future

Submit Your Residential Energy Data – Get Paid!

The Iowa Tribe of Kansas and Nebraska is collecting energy usage data to support our clean energy and climate planning initiatives through the CPRG Planning Grant. Your participation is completely voluntary, and all data is protected and confidential.

Incentive Program

Type of Data	1 Year (2024)	3 Years (2021-2024)
Electricity	\$25	\$40
Propane	\$25	\$40

Eligibility & Submission

Must live on the Iowa Tribe of Kansas and Nebraska reservation. Submit your application through the online form. Energy usage data may be uploaded through the online form, or sent by email to the program manager, or by dropping off the documents at our office.

Full details and information are available online at: <https://forms.gle/RVfEc1evnicB9ahc9>

You can access the form through the following QR Code:

Privacy Note: All personally identifying information will be removed. Data will only be used for planning purposes.

Why Participate?

Your data helps our community plan for renewable energy projects that can reduce costs and create a sustainable future for generations to come.

What We Need

Your electricity and/or propane usage data from either 2024 or from 2021-2024. The more years you provide, the higher the incentive!

Contact Us

For questions or assistance with submitting your energy data, please contact the CPRG Program Manager.
