

Coffee With Aunties

JUNE 25 | 9AM - 11AM
GEORGE OGDEN BUILDING

COFFEE AND CONVERSATION

Loway women and girls are invited to join Chairwoman Slater for an informal gathering and conversation. This is an open opportunity to build stronger relationships, share women's teachings as appropriate, exchange wisdom, support one another, and strengthen our community through meaningful conversation.

If you are unable to attend in person, a Google Meet link is available in the Members' Area of the Tribal website so you can join virtually.
